Velino Care

08557 The Velino nursing bed is a multifunctional height-adjustable column bed that maximizes both the patient comfort and the user-friendliness.

Carriage

- High/low adjustment by means of 2 telescopic lifting columns.
- Reverse Trendelenburg adjustment possible up to ±14°.
- The castors are hidden by means of a synthetic cover cap with a wooden look or with a grey uni colour.
- Twin castors Ø 50 mm, braked 2 per 2.
- The design brake pedal can be activated on both sides of the bed.
- The open carriage is very accessible and easy to clean.

Mattress platform

- Three- or four- (*) section mattress platform.
- The backrest is electrically adjustable up to ±70° with autoregression.
- The knee rest is electrically adjustable up to ±34° (in case of 4 sections).
- The footrest is manually adjustable for the Fowler position (in case of 4 sections).
- The legrest is manually adjustable up to ±14° (in case of 3 sections).
- The electric mattress platform manipulations are equipped with a clamp safety.
- The mattress platform is made of rounded steel profiles.
- The mattress platform sections are equipped with openings for patient restraint straps.
- The backrest and footrest have integrated mattress holders.
- Telescopic bed extension possible up to 20 cm (not with Pollux sideguards).
- The head end is equipped with 2 cases to install an IV rod or a lifting pole.
- No visible fastening bolts in the foot panel.
- The bed panels are made of solid oven-dried beech (*).
- Rounded corners to increase the passive safety.

Electric bed manipulations

- All electric bed manipulations are activated by means of maintenance-free Linak actuators.
- The mattress platform actuators are standard equipped with a clamp safety and can be replaced without needing any tools.
- The electric bed functions can be activated by means of a hand switch or an *mini-nurse box* (*).
- The hand switch has a preprogrammed sleeping and relax function.
- A *mini-nurse box (*)* makes it possible to switch off several functions selectively, whereas a lock box (*) switches these functions off by means of 1 single button.

Paneltypes

- Midea (standard)
- Valentino (*)
- Puro (*)
- Felina (*)

Sideguards

- Pollux (*)
- Trix (*)

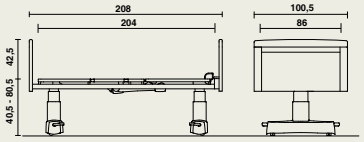

Accessories

We would like to refer to our accessory list.

(*) Option

Dimensions and technical data

- Width: 100,5 cm. Length: 208 cm
- Heigth variation of the mattress platform: ± 40,5 cm - ± 80,5 cm
- Safe working load: 250 kg
- Weight (without options): 140 kg
- Matress platform dimensions: 204 x 86 cm
- Mattress dimensions: 195 x 85 cm Thickness: 12 to 15 cm
- Standby consumption: 0,5 W (max. 4,38 kWh/year)

Materials and finishing

- Wood: beech (massive, veneer), chipboard (melaminated).
- Metal: epoxy-coating RAL 9006 white aluminium.
- Self-lubricating synthetic hinges (= maintenance-free).
- Withstands the common cleaning products.

For more information about the **materials** and **construction**: please consult our material lists.
We would to refer to our extensive **colour gamut**.

Options
